

GURUKRUPA COLLEGE OF EDUCATION & RESEARCH, KALYAN WEBINAR ON “AIDS AWARENESS”

Date: 1/12/2022

Every year, on 1 December, the world commemorates World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS. The inequalities which perpetuate the AIDS pandemic are not inevitable; we can tackle them. This year's theme for World AIDS Day is “Putting Ourselves to the Test: Achieving Equity to End HIV.” It encourages people to unite globally to eliminate the disparities and inequities that create barriers to HIV testing, prevention, and access to HIV care.

GCER always has concern about social welfare and social awareness. To create awareness about Aids among the students, M.Ed. students of GCER conducted webinar on “**AIDS AWARENESS**” on occasion of World Aids Day. In this session all information about Aids was given to the students. The miss-believes related to Aids were also disused in the session.
