International Family Day 15/5/2022

The International Day of Families is observed on 15 May every year. This Day provides an opportunity to promote awareness of issues relating to families and to increase knowledge of the social, economic and demographic processes affecting families. The significance of families is highlighted on this day. The International Day of Families not only promotes the value of a healthy and well-balanced family, but also increases understanding of the economic, demographic, and social dynamics that influence families. GCER also celebrated this day in unique way. Students collected family photos of students and faculty members and created beautiful video.

Educational Field Visit by F.Y.M.Ed. Students 23/5/2022

F.Y.M.Ed students visited “Shree Bhairav Karn Badhir Vidyalay,Bhiwandi” on 23rd of May 2022 as per assigned task of Psychology of Development and Learning subject to know the needs of Disabled Children institution and students. This institution works for deaf and dumb children, F.Y.M.Ed students keenly observed and acquired information about how do they work with disable children? Which kind of teaching strategies they followed? Which kind of activities they conducted? How do they overcome the challenges which we face while working with disable children? Indeed it was a successful visit with fruitful experience.

A circular wreath composed of various flowers and strawberries. The flowers include several large, light pink and white roses, several large white flowers with prominent green centers, and several smaller white flowers. Interspersed among the flowers are several ripe, red strawberries with green tops. Small black berries are also scattered throughout the arrangement. The entire wreath is set against a plain, light-colored background. In the center of the wreath, the words "Thank you" are written in a black, elegant cursive font.

Thank you
