All staff members were enlightened by the importance of Yoga. Also they were taught various **Asanas**. Addressing the staff members on this occasion, the Principal Dr. Vidyullata Kolhe appealed to all the staff members to include Yoga in their daily routine for its wholesome & salubrious effects on mind, body and soul.

## ***B.Ed. Sem-III Syllabus Orientation: 2<sup>nd</sup> July 2018***

A syllabus is a document both about the course content, goals, elements. A well-structured syllabus also invites students to take responsibility for their own learning. Prioritising this context Gurukrupa College of Education & Research organised an orientation programme of B.ed Sem-III Syllabus for the students. Dr. Nitin Gadhe gave a brief idea of all the subjects and also about the contents of each subject to the students. He also gave information about the assignments that has to be submitted by the students.

## **B.Ed. Sem-III Project Based Course Orientation: 3<sup>rd</sup> July 2018**

Project-based course learning helps students to apply what they learn from real-life experiences and provides an all-around enriching education. Because project-based learning is filled with active and engaged learning, it inspires students to obtain a deeper knowledge of the subjects they're studying. In addition, students develop confidence and self-direction as they move through both team-based and independent work. Gurukrupa College of Education & Research organised an orientation programme for the same on 3<sup>rd</sup> July 2018. Mrs. Archana Bhole started the session by giving a brief idea of Project based course-III. Further she enlightened the students about 11 weeks internship programme & activities included in it. She also gave information about Co-teaching lessons and preparation of lesson plan for the same that students need to include in the internship. Later Mrs. Anjali Kirkinde gave information about theme based lessons which students have to take in the internship programme. Along with this lesson plan preparation for the theme based lessons were discussed.

## ***Tree Plantation Activity: 12<sup>th</sup> July 2018***

Since from the beginning, trees have furnished us with two life's essentials: food and oxygen. Today, their value continues to increase and more benefits of trees are being discovered. The increasing need for environmental conservation has become prominent in the past few years. Several organisations have started initiatives to promote environmental welfare. Gurukrupa College of Education & Research also took a step forward to fulfil such responsibility towards society by organising "Tree Plantation Activity" on 12<sup>th</sup> July 2018 in the college campus under the guidance and supervision of the Principal Dr. Vidyulatta Kolhe. Tree planting started by the oath of planting plants every year and taking care of the planted trees by student teachers and all the staff members. Also Principal Dr. Vidyulatta Kolhe spoke about 'Go Green Abhiyan' by appealing the students teachers to give their contribution to save earth.

## ***M.Ed. Sem-III Syllabus Orientation Programme: 14<sup>th</sup> July 2018***

College orientation programs are key to overall student success. Not only they help with some of those initial feelings of anxiety, but they also provide helpful information on the student's experience inside and outside of the classroom. Gurukrupa College of Education & Research organised orientation of M.Ed Sem-III for the student teachers where in Mrs. Anjali Kirkinde took fast review of the activities/tasks done by the students in the first year then after she gave a brief idea of the subjects and contents included in the subjects. She also discussed about Elective Course-I & II and gave information about assignments/tasks that has to be submitted by the student teachers during their course time. She also enlightened the students by the details of internship programme.

## ***Gurupurnima Celebration: 28<sup>th</sup> July 2018***

It is believed that a person is blind without a teacher to guide him. A mother is the first teacher of a child, but after that, the guru becomes his or her second mother. Guru Purnima is national wide festival which is dedicated towards the Guru in this world. Guru word is used for the teacher who teaches anything to a learner. If we relate it to the ancient time, it is actually worshipping the Guru Vyasa who wrote the 4 Vedas. But in today time, it is all about worshipping your teacher and showing gratitude towards them for their impeccable hard work for teaching you. Students of Gurukrupa College of Education & Research celebrated this Gurupurnima by showing their gratitude towards their Principal Dr. Vidyullata Kolhe and teachers Mrs. Anjali Kirkinde, Mrs. Archana Bhole, Dr. Nitin Gadhe.
