What college should do for students in Academics, Cultural & Co-curricular Activities? Suggest three ideas/ways/Modes.

For the above question we received many innovative and creative ideas and suggestions. We respect all your ideas and suggestions and we assure you that we will definitely try to implement it. Some of them are as follows:

- As far as it's in online mode our college has done its best.
- Conduct some more personality development programs to motivate students.
- Conduct test unit wise
- arrange different programs online
- College should know which students are doing great in other field rather than study also .and give them chance to present their view.
- Two way model can be made I mean student teacher repo with all not only with particular students.
- Idea I feel college should plan a picnic which is definitely related to study if only picnic not possible.
- Seminar, live session should be conducting for improving different teaching strategies.
- Please arrange a platform where introvert students who are unable to clear their doubts can get answers

What college should start new? Give ideas/Ways/Modes.
